Port Perry Office Reopening for Vaccine Order Pick Up

The Durham Region Health Department (DRHD) is pleased to announce the **reopening of the Port Perry office** for vaccine order pick up effective **September 23, 2022**. Healthcare providers wishing to pick up orders from the Port Perry office should submit routine, high-risk, and batch order forms via fax to the Port Perry office at 905-982-0840. Vaccine returns will also be accepted.

Due to vaccine storage & handling requirements, **COVID-19 vaccine** orders are available for pick up at the Port Perry office on **Tuesdays only**. If you are interested in ordering COVID-19 vaccines for the first time, please email covidvaccine@durham.ca. Looking ahead to Fall, the influenza vaccine will be available at the Whitby and Port Perry locations through online ordering. Stay tuned for additional information.

Please refer to chart below for ordering methods and pick up locations:

Order Type	Order By	Pick-up Location
Routine Vaccines	Fax only	Whitby or Port Perry
High-risk Vaccines	Fax only	Whitby or Port Perry
School-based Vaccines	Fax only	Whitby or Port Perry
COVID-19 Vaccines	Online only	Whitby or Port Perry (Tues only)
Influenza Vaccines	Online only	Whitby or Port Perry

Updated order forms can be found on durham.ca/hcp (Found under "Forms" > "Order").
