Consent Application heard on: Monday, February 11, 2019

File: LD 009/2019
Submission: B 007/2019
Owner: Jones, Benita
Jones, Paul
Agent: D.G. Biddle & Associates Limited
Location: Lot 14, Concession 1
Town of Ajax
Municipality: Town of Ajax

Consent to sever a vacant 514.6 m² residential parcel of land, retaining a 514.7 m² residential parcel of land with an existing dwelling to be demolished.

The Committee member visited the site on January 30, 2019 and confirmed the property was properly posted.

Present was:

Agent: Rubino, Toni - D.G. Biddle & Associates Limited
Interested party: Edwards, Brian
Goodeve, Tom
Phillips, Gerry
Douglas, Terence

Ms. T. Rubino provided the Committee with a brief planning overview in support the application. She advised the Committee that the related minor variance application had been supported by staff, however, the application was refused by the Town of Ajax Committee of Adjustment. She further advised the minor variance decision has been appealed to Local Planning Appeal Tribunal and the owner is currently awaiting a hearing date.

She further advised the Committee the existing houses in the neighborhood varied with respect to the age of homes, materials, and size and that the homes in the development on the subject lands will be subject to architectural control.

Ms. T. Rubino advised that the retained and severed parcels would comply with the minimum lot area requirements of the zoning by-laws.

Mr. B. Edwards advised his property that his property is southeast of the subject property. He advised he was in objection to the application as he does not feel the related minor variance application is minor in nature and the consent application should also be denied.

Mr. B. Edwards also questioned whether the consent application should proceed given the related minor variance appeal was before the LPAT.

Mr. T. Goodeve advised the Committee he was opposed to the application. He indicated that this application will be precedent setting and provide the groundwork for multiple future applications of this nature.

He further advised the application had failed the four tests required to grant a minor variance and as such he did not feel it appropriate for the applicant to file a consent application for the same property. He advised if this application is approved it could facilitate future development that would change the character of the existing neighborhood.

Mr. T. Goodeve indicated he did not feel that this application was in compliance with the Provincial Policy Statement, Planning Act, Local Official Plan and Regional Official Plan. He further expressed concerns related to potential flooding of the area should this application be approved.

Mr. G. Philips advised the Committee he was in opposition to the application. He advised that if this application is approved it could create a precedent and that such a precedent could see the number of dwellings increase by 40%. He suggested the Committee table this application until the LPAT has ruled on the existing minor variance appeal.

Mr. T. Douglas advised the Committee he was opposed to the application. He indicated this proposal would not be in character with the existing neighborhood and would be precedent setting. He further expressed concerns related to volume of car traffic on the street and parking issues.

Committee Member G. Kydd asked the agent if they had considered a tabling of the application until LPAT has considered the related minor variance application.

Ms. T. Rubino advised the Committee this application must be heard at this time in order to allow it to be dealt with simultaneously at the LPAT. She confirmed that tabling is not a consideration for this application.

The Committee had for information reports received from the Regional Municipality of Durham Planning and Economic Development, and Works Departments, and the Town of Ajax.

A written submission was received on February 11, 2019 from Phyliss Wells and Paul Beausejour.

A written submission was received on February 11, 2019 from Tracey Dunstan.

A written submission was received on February 8, 2019 from Tom Goodeve.

A written submission was received on February 7, 2019 from Julie Rogers.

A written submission was received on February 7, 2019 from Michael and Michelle Borg.

A written submission was received on February 5, 2019 from Renee Phillips.

A written submission was received on January 18, 2019 from Diane Gomes.

Agency comments were provided to Ms. T. Rubino.

Moved by: D. Marquis

Seconded by: G. Kydd

Having reviewed and considered all of the agency comments and heard the oral submissions, I hereby move that application LD 009/2019 be denied as it does not conform with the local Official Plan.

Discussion to the motion

Committee member R. Malone advised he was in support of the motion on the floor.

Committee member G. Kydd advised he was also in support of the motion on the floor and that the LPAT appeal should be dealt with first. He indicated he did not wish to circumvent a process already in place.
