## Durham OHT Virtual Grand Rounds: Indigenous Cultural Safety in Primary Care – April 27, 2023

This message is being sent on behalf of the Durham Ontario Health Team in partnership with Primary Care Network Durham, Carea Community Health Centre, and the CE Regional Cancer Program.

### Virtual Grand Rounds – Indigenous Cultural Safety in Primary Care

**Date:** April 27, 2023

**Time:** 7:00 p.m. – 8:00 p.m.

**How to Register:** Please email [submissions@doht.ca](mailto:submissions@doht.ca), register at [Register for Webinar](#) or scan:

### Panellists:

- **Dr. Jason Pennington**, Regional Indigenous Cancer Lead, Central East Regional Cancer Program, General Surgeon
- **Ba Masshi Migizi Kwe, Angela Duckworth**, Indigenous Health Promoter, Carea Community Health Centre
- **Phyllis Williams**, Recipient of Anishinabek Nation Heroes in Health Award 2022, Manager of Health and Social Services, Alderville First Nation
- **Kathy MacLeod-Beaver**, Indigenous Navigator, Central East Regional Cancer Program
- **Carter Sehn**, Indigenous Outreach Liaison, Durham Regional Cancer Centre at Lakeridge Health

### Objectives:

- Understanding the significance of historical events and the impact on the health of Indigenous people
- Recognizing the responsibility of Primary Care Providers and available resources when providing care for Indigenous people
- Opportunity to reflect on current practice and be inspired for continued engagement within the community and fostering relationships
