Dear Prime Minister Trudeau and Minister Gould:

Re: Town of Aurora Council Resolution of May 24, 2022
Motion 10.1 - Councillor Humfryes; Re: Private Member's Bill C-233 "Keira's Law"

Please be advised that this matter was considered by Council at its meeting held on May 24, 2022, and in this regard, Council adopted the following resolution:

Whereas violence against women is a Canadian public health crisis that demands urgent action; and

Whereas one in four women experience domestic violence in their lifetime. One woman or girl is killed every other day, on average, somewhere in our country; and

Whereas the most dangerous time for a victim of abuse is when she separates from her partner. According to research from the U.S. Centre for Disease Control and Prevention, when there is a history of coercive control, violence and a recent separation, a woman's risk of domestic homicide goes up 900 times; and

Whereas the current Canadian court system is not equipped to protect women. According to the National Judicial Institute, there is no mandatory education for Judges on domestic violence. Judges need education on what constitutes domestic violence or coercive control. A formal education program would ensure

another line of defense for victims, as well as preventing violence and abuse before it happens; and

Whereas the COVID-19 pandemic has only exacerbated the domestic violence crisis. Women's shelters and crisis centres have reported a marked increase in requests for services this year. The concerns for children are significant. According to recent research from The Children's Hospital of Eastern Ontario, doctors have seen more than double the number of babies with serious injuries as this time last year. These include head injuries, broken bones or in some cases death. Institutions across the country are reporting a similar trend; and

Whereas, according to Article 19 of the UN Convention on the Rights of the Child, children must be protected from "all forms of physical or mental violence, injury or abuse, neglect or negligent treatment, maltreatment or exploitation, including sexual abuse, while in the care of parent(s), legal guardian(s) or any other person who has care of the child." Our current family justice system often fails our children in this regard; and

Whereas, in worst case scenarios, children are killed by a violent parent. As reported by the Canadian Domestic Homicide Prevention Initiative, recent separation and domestic violence are the two biggest risk factors for domestic violence related child homicides; and

Whereas custody disputes are an additional risk factor. Each year in Canada, about 30 children are killed by a parent. Mothers are responsible about 40 per cent of the time, often due to postpartum depression or mental illness. In the 60 per cent of cases where fathers are the murderers, anger, jealousy or post-separation retaliatory revenge are the usual motivations; and

Whereas Keira's Law is named after four-year-old Keira Kagan, who was killed while in the custody of her father, in 2020; and

Whereas many cases of domestic violence are inappropriately labelled as "high conflict" in the family court system. According to research by Rachel Birnbaum, a Social Work Professor at the University of Western Ontario who specializes in child custody, approximately one third of cases called "high conflict" by the court had substantiated evidence of valid concerns about domestic violence. These cases must be recognized and treated differently by judges; and

Whereas voting in favour of "Keira's Law", contained in Private Member's Bill C-233, will not only protect victims of violence and children, it will save lives by

amending the *Judges Act* to establish seminars for judges on intimate partner violence and coercive control;

- 1. Now Therefore Be It Hereby Resolved That Aurora Town Council calls upon the House of Commons to support Member of Parliament Anju Dhillon's Private Member's Bill C-233, that will raise the level of education on domestic violence and coercive control for federally appointed Judges; and**
- 2. Be It Further Resolved That a copy of this resolution be sent to: The Right Honourable Justin Trudeau, Prime Minister of Canada; The Honourable Karina Gould, MP, Minister of Families, Children and Social Development; The Honourable Candice Bergen, Interim Leader of the Conservative Party of Canada; Yves-Francois Blanchet, MP, Leader of the Bloc Quebecois; Jagmeet Singh, MP, Leader of the New Democratic Party; MP Tony Van Bynen; and MP Leah Taylor Roy; and**
- 3. Be It Further Resolved That a copy of this resolution be circulated to all Ontario municipalities and the Federation of Canadian Municipalities (FCM).**

The above is for your consideration and any attention deemed necessary.

Yours sincerely,

Michael de Rond

Please be advised that Brantford City Council at its Special City Council meeting held May 17, 2022 adopted the following:

5.1 Release of all Federal and Provincial Documents Related to the Former Mohawk Institute Residential School

WHEREAS the Truth and Reconciliation Commission Final Report, 2015 confirmed that Residential Schools were part of a coherent policy implemented by the Federal Government to eliminate Indigenous people as distinct Peoples and to assimilate them into Christian society against their will; and

WHEREAS the Deputy Minister of Indian Affairs Duncan Campbell Scott outlined the goals of that policy in 1920, when he told a parliamentary committee that “our object is to continue until there is not a single Indian in Canada that has not been absorbed into the body politic...”; and

WHEREAS the Truth and Reconciliation Commission Final Report, 2015 also confirmed that despite the coercive measures that the government adopted, it failed to achieve its policy goals. Although Indigenous Peoples and cultures have been badly damaged, they continue to exist; and

WHEREAS the former Mohawk Institute Residential School operated from 1831 to 1970 within the boundaries of what is now the City of Brantford; and

WHEREAS Survivors have released statements of missing, murdered, and buried students; and

WHEREAS, to date, the unmarked burials of over 7000 missing Indigenous children have been discovered nation-wide; and

WHEREAS, following the May 2021 announcement by Tk'emlúps te Secwépemc First Nation of locating 215 potential burials of children in unmarked graves at the Kamloops Indian Residential School in British Columbia, the Survivors of the Mohawk Institute,

along with their families and community members called on the Federal and Provincial governments to support a search for the remains of missing children who may have been buried on the Mohawk Institute's grounds and the surrounding area; and

WHEREAS, as of November, 2021, a search, led by the Survivors' Secretariat, of the Mohawk Institute Residential School grounds and over 200 hectares of land associated with the school began; and

WHEREAS Survivors of the Mohawk Institute Residential School are demanding the release of all Federal and Provincial documents related to the former Mohawk Institute Residential School; and

WHEREAS staff of the City of Brantford are currently undertaking a search of City records and archives for any documents, maps, or other relevant information related to the operation of the Mohawk Institute Residential School in order to release this information to the Survivors' Secretariat to aid in the search for truth, justice and healing; and

WHEREAS this Council is committed to working to advance reconciliation and renewed relationships with First Nations; and

WHEREAS the Truth and Reconciliation Commission of Canada issued 94 Calls to Action, thirteen of which are directed at municipal governments;

NOW THEREFORE BE IT RESOLVED:

- A. THAT the Council of The Corporation of the City of Brantford respectfully REQUESTS THE IMMEDIATE RELEASE, to the Survivors' Secretariat, of all documents in the possession of the Government of Canada or the Government of Ontario and the Anglican Church related to the former Mohawk Institute Residential School now located on Six Nations of the Grand River Territory, within the geographic boundaries of the City of Brantford; and

Whereas the Ontario Amber Alert is a warning system that quickly alerts the public of a suspected abduction of children who are in imminent danger;

And Whereas the goal is to broadcast as much information about the child, the abductor and suspect vehicles as quickly as possible so that the public can respond with any relevant information that might lead to the child's safe return;

And Whereas people are encouraged to share the Amber Alert with as many people as possible. If a child or vulnerable person is abducted, spreading the information quickly is critical to their safe return;

And Whereas an Amber Alert makes the Public aware to keep an eye out for the child, vulnerable person, suspect and the vehicle described, in the alert. If they spot them, try to gather as many details as they can, including the specific location where they saw them, the time, the direction they were travelling in and any other identifying details that will help to locate them;

And Whereas an Amber Alert gives citizens instructions to call 9-1-1 or the phone number included in the alert immediately if they have a trip or a sighting related to an Amber Alert;

An Amber Alert will only be activated if:

- The police have confirmed that an abduction has taken place; and
- There is reason to believe the victim is in danger of serious physical injury, and there is information available that, if broadcast to the public, could assist in the safe recovery of the victim.

And Whereas it is essential to remember that an Amber Alert is not always appropriate in every circumstance and that their continued effectiveness depends on ensuring that they are only used in cases that meet the above criteria;

And Whereas the recent tragic death of 11 year old Draven Graham showed that the Amber Alert system is flawed when it comes to vulnerable children who can go missing but are not abducted;

And Whereas at the time this motion was written, there have been almost 75,000 citizens who had signed a petition on Change.Org requesting that a Draven Alert be created;

And Whereas it is clear that there needs to be an addition to the alert system to allow for law enforcement to send out an alert for vulnerable children who go missing under circumstances that do not involve an abduction but are at serious risk of injury or death;

Therefore be it resolved that the Municipality of Brighton and its Council endorse the following:

1. That the Minister of the Solicitor General and the Commissioner of the Ontario Provincial Police, as well as the Premier's Office, be requested to make the necessary changes to the Amber Alert system and create a new alert called the Draven Alert, which will protect vulnerable children who have not been abducted but are at high risk of danger, injury or death and alert the public that they are missing.
2. That this motion be sent to all municipalities across Ontario and the Association of the Municipalities of Ontario (AMO) for endorsement.

Dear Minister Clark:

Re: Strong Mayors, Building Homes Act

Please be advised that the Council of the Town of Wasaga Beach, during their August 18, 2022 Council meeting adopted the following resolution:

“That Council receive the letter dated August 10, 2022 from the Ministry of Municipal Affairs and Housing pertaining to Strong Mayors, Building Homes Act, for information;

And further that a letter be sent to the Minister of Municipal Affairs and Housing outlining these proposed powers are not appropriate and to outline other ways for the province to institute housing and other matters, and that the motion be circulated to all Ontario municipalities.”

The Town of Wasaga Beach Council does not support the Strong Mayors, Building Housing Act as the proposed changes will not demonstratively speed up the construction of housing and will erode the democratic process at the local level where members of Council have to work together to achieve priorities. What is needed to speed up construction of housing is greater authority for local municipalities to approve development without final clearances from outside agencies after they have been given reasonable time to provide such clearances.

Your favourable consideration of this matter is appreciated.

Should you have any questions, please contact me at mayor@wasagabeach.com or (705) 429-3844 Ext. 2222.

Yours sincerely,

Nina Bifulchi

August 10, 2022

Dear Head of Council:

As Ontarians face the rising cost of living and a shortage of homes, our government was re-elected with a strong mandate to help more Ontarians find a home that meets their needs.

Our government also made an election promise to build 1.5 million new homes for the people of Ontario over the next 10 years to address the housing supply crisis.

I am pleased to inform you that our government introduced the proposed Strong Mayors, Building Homes Act on August 10, 2022, that, if passed, would make changes to the *Municipal Act, 2001*, *City of Toronto Act, 2006*, and the *Municipal Conflict of Interest Act*. These amendments would empower mayors in the City of Toronto and City of Ottawa to deliver on shared provincial-municipal priorities and get more homes built faster.

If passed, the proposed changes impacting the City of Toronto and City of Ottawa are intended to take effect on November 15, 2022, which is the start of the new municipal council term. Other growing municipalities could follow at a later date.

If you have any comments or feedback regarding these proposed changes, you may submit them to the Ministry of Municipal Affairs and Housing at: StrongMayors@ontario.ca.

Sincerely,

A handwritten signature in blue ink that reads "Steve Clark".
