

Durham Region Health Department FAX about...

For Health Care Professionals

Influenza Season is Done and the Vaccine Return Has Begun

Thank you for your ongoing support in promoting and providing influenza vaccine to Durham Region residents this influenza season. Influenza season typically runs from October to April. The time has come to **return all influenza vaccine** to the Durham Region Health Department (DRHD) and **temperature log submissions for influenza vaccine are no longer required.**

Please return all **influenza vaccine** at your facility by **June 30, 2022**. Vaccine returned to DRHD does **not** need to be returned in cold chain. This vaccine is accounted for and then sent for proper disposal. A completed [Vaccine Return Form](#) (durham.ca/HCP under Forms and then Reporting; also attached) should accompany all returned vaccines.

Vaccines should be returned to **Whitby Headquarters**, 605 Rossland Road E., Whitby ON. **Upon arrival, please phone 905-668-7711 ext. 3131.**

Pharmacies offering **COVID-19 vaccines** must **continue submitting temperature logs** at the frequency determined by DRHD. Pharmacies with **multiple fridges** must store COVID-19 vaccines in their designated COVID-19 fridge and submit corresponding fridge temperature logs.

For any vaccine storage and handling questions or concerns please call 905-668-7711 ext. 3063.

April 20, 2022
