

Apply for Community Improvement Grants.

Community Improvement Incentives, fully approved by the Province of Ontario, offers financial assistance to encourage development and improve the functioning of business operations in designated areas throughout the City. Property and/or business owners can apply for financial support in improving the visual and functional aspects of their commercial, industrial, and mixed-use residential buildings or parcels of land.

Grants Available:

FACADE & ACCESSIBILITY

Enhance the curb appeal and accessible features of your business; contributing to the beautification of the City of Oshawa.

BROWNFIELDS DEVELOPMENT

Receive support in the cleanup and reuse of contaminated lands, including environmental studies.

RESIDENTIAL CONVERSIONS

Convert commercial spaces to residential, supporting downtown's rapid population growth.

INCREASED ASSESSMENT GRANT

Financial incentives for the rehabilitation and redevelopment of properties for part or all of the increase in City taxes.
