Title: Council Expense Policy		
Policy #: CS-EXP-1	Issued: September 25, 2024	Page #: 1 of 6
Revised: N/A		
Approved by: Regional Council		
Responsibility: Legislative Services		Section: Corporate Services

1. Purpose

- 1.1 This policy provides members of Council with guidelines for reimbursement of expenses for:
- conferences, conventions and external offsite meetings related to Regional business; and
 - mileage expenses for Regional meetings.

2. General Principles

- 2.1 Members of Council are accountable to the public and are responsible for ensuring that their expenses clearly and directly relate to the business of the Region of Durham. Only expenses incurred by a member in relation to Regional business shall be compensated by the Region.
- 2.2 Members of Council may attend conferences, conventions and offsite meetings related to Regional business at the Region's expense. The Region of Durham provides a discretionary allocation to reimburse Members of Council for reasonable expenses incurred while traveling on Regional business.
- 2.3 The Region shall reimburse Councillors for the actual cost of attending a conference or convention as supported by receipts for registration, including event registration, accommodations, meals, and transportation.
- 2.4 Only expenses incurred by individual Members of Regional Council shall be paid. Expense claims shall not be permitted for spouses, partners, family members, or other individuals who are not the Member.
- 2.5 The following expenses shall be paid but shall not be incurred against a Member of Council's discretionary allocation for the term of office:
- a) Where a member of Council is required to attend a conference or event by virtue of a directive of Regional Council or their role on a committee (e.g. as a Committee Chair);
 - b) mileage for attendance at Regional Council, Committee meetings, and offsite meetings; and

c) If a member is required to campaign for election to a board (e.g. FCM or AMO).

In such cases, funding shall be identified at the discretion of the Commissioner of Finance or their designate.

2.6 Regional Councillors' expenses, regardless of funding source, shall be reported annually in accordance with the reporting requirements in Section 284 of the *Municipal Act*.

3. Discretionary Allocation for Term of Office

3.1 The discretionary allocation per Regional Councillor shall be as described in Schedule 'A' to this policy for the current term of office, which may be utilized by each Regional Councillor in full or in part during any year of the term of office.

3.2 The Treasurer is delegated authority to adjust the maximum allocation described in Schedule 'A' at the start of each new term of Regional Council in accordance with Consumer Price Index (CPI) inflationary increases measured against the start of the previous term of office.

3.3 If a member is elected or appointed after the term commences, the term allocation shall be pro-rated to the year that they are elected.

4. Accommodation

4.1 Councillors shall be reimbursed for overnight accommodation under any of the following circumstances:

- a) The meeting takes place at a location which is in excess of a reasonable location from Durham Region Headquarters;
- b) The meeting concludes at a late hour which will not permit the Councillor to arrive home at a safe hour of travel; or
- c) Other extraordinary circumstances that would prevent further travel such as extreme weather conditions.

4.2 Members shall utilize bulk booking rates where available.

4.3 Accommodation shall be reimbursed at the single room rate except where such accommodation is not available.

5. Transportation

- a) Automobile: current rate per kilometre (plus parking fees).
- b) Public Transit, Taxi, Rideshare: Actual expenses.
- c) Rail: First class fare, lower berth and/or chair plus transportation to and from the station, and parking fee, if any.

- 5.2 A Councillor will be reimbursed for use of their personal automobile or motor vehicle for the purposes in attending Regional Council and committee meetings or a conference, convention or offsite meeting while on Regional Business.
- 5.3 Mileage reimbursement for conferences, conventions, or offsite meetings shall be calculated between Regional Headquarters and the event location, or from the member's primary residence to the event, depending on which is the closest to the event location.
- 5.4 Mileage reimbursement for attendance at Regional Council and Committee meetings shall be calculated between the local municipal headquarters and Regional Headquarters.
- 5.5 The rate for mileage shall match that provided to Regional staff and shall be described in Schedule 'A'.
- 5.6 The Regional Treasurer is delegated the authority to update the mileage rate described in Schedule 'A' at any time in order to match changes to the mileage rate for Regional employees.
- 5.7 Highway toll charges (e.g. 407 ETR) shall be reimbursed by the Region, excluding vehicle transponder charges.

6. Meals

- 6.1 Meal expenses are to be reimbursed as incurred and supported by receipts, unless the per diem rate is being utilized. Meal expenses are to be reimbursed for individual Councillors and not submitted as a group.
- 6.2 The per diem rate for Regional Council members shall match the rate paid to Regional employees as described in Schedule 'A' to this policy. The rate shall be paid for all daily expenses (including meals, gratuities, etc.) without receipts. Meal rates include gratuities and may only be claimed if the meal is not provided at the conference, convention, or external offsite meeting.
- 6.3 The Treasurer is delegated authority to adjust the per diem rate described in Schedule 'A' to match changes to the rate paid to Regional employees.
- 6.4 If circumstances are such that the daily maximum is clearly insufficient, reimbursement for actual expenses with receipts covering total expenses may be submitted for actual costs incurred, subject to funds being available and such costs being deemed reasonable in the circumstances.
- 6.5 Reimbursement for alcohol shall not be permitted under any circumstance.
