Public Notice

The Regional Municipality of Durham is inviting the public to attend the in-person Public Information Centre (PIC) for the Cycling Wayfinding and Signage Strategy Project on June 5, 2024.

The Cycling Wayfinding and Signage Strategy strives to provide residents and visitors with a well-designed, intuitive and cohesive wayfinding and signage system. This signage system aims to make it easier for residents and visitors to navigate and interpret the Region's Primary Cycling Network (PCN) and connect to key destinations. The goal is to encourage safe and comfortable use of the cycling network by users of all ages and abilities by providing consistent signage.

This is the second and final public meeting for the project, designed to showcase the draft Strategy and the final outcomes. We encourage you to join the project team during this session to learn more about how the project has progressed.
